LEWIS J. LIMAN, United States District Judge:

The Complaint in this matter was filed on December 30, 2019. Plaintiff invokes diversity jurisdiction pursuant to 28 U.S.C. § 1332. Those allegations, however, appear to be deficient as Plaintiff fails to allege the citizenship of the two limited liability companies on either side of this case. *See, e.g., Platinum-Montaur Life Scis., LLC v. Navidea Biopharmaceuticals, Inc.*, 943 F.3d 613, 615 (2d Cir. 2019); *Handelsman v. Bedford Vill. Assocs. Ltd. P'ship*, 213 F.3d 48, 51–52 (2d Cir. 2000).

In order to determine whether there is complete diversity of citizenship, the Court will permit a limited interrogatory to identify the members of the defendant LLC and their citizenship to be served on or before March 18, 2020.

Plaintiff has leave to file an amended complaint by May 18, 2020. In the absence of an amended pleading properly alleging a basis for subject matter jurisdiction, the case will be dismissed.

The deadline for any Defendant to answer or move to dismiss is ADJOURNED pending further order from the Court.

SO ORDERED.
